

About The Apartment Service

TAS - The Apartment Service is the world's leading global serviced apartment booking agency. With 36 years of experience in the serviced apartment industry, we provide a 100% service for sourcing, booking and managing reservations into corporate housing and serviced apartments worldwide from our 7 global offices in New York, London, Lisbon, Madrid, Barcelona, Frankfurt and Singapore. In February 2014 The Apartment Service launched the TAS Alliance bringing together serviced apartments operators across the globe under a single representation, distribution and marketing strategy, all powered by a common platform. The primary goal of The Apartment Service is to provide consistency in quality and efficiency in booking serviced apartments for clients.

TAS operates 450 corporate serviced apartments under its brand name Roomspace in the UK, Lisbon, Madrid and Barcelona.

The Apartment Service

The Apartment Service Team provides a specialist, worldwide serviced apartment sourcing and booking solution, giving your clients more choice, space and home comforts when staying away on business.

Our accommodation solutions are ideal for general business trips of 7+ nights, project driven requirements and short/long term assignments.

If your client needs temporary serviced accommodation, extended stay, residences, apart-hotels or serviced apartments for corporate use, in primary, secondary and tertiary locations around the world, The Apartment Service Team is here to help.
