

Red Box Virtual Office

Red Box Virtual Office is a virtual assistant business providing organisational support to individuals and businesses. By operating remotely and adapting to individual needs, Red Box provides virtual assistant solutions for individuals and businesses that may not want the associated costs of hiring an employee. – For more information please visit <http://www.redboxvirtualoffice.com/>

Discount:

A discount of 25% on all new business through the BPCC.
(normal rate €20/hour)
