# Vale d'Oliveiras Quinta Resort & Spa

## Vale d'Oliveiras Quinta Resort & Spa – A Lifestyle of Quality & Elegance

Centrally located, only few steps from Gramacho golf course, 5 minutes from Carvoeiro and Caneiros beach, and within 45 minutes drive from Faro International Airport, **Vale d'Oliveiras Quinta Resort & Spa**, is a new 5-star Resort, comprising 80 one- and two-bedroom Family suites, 2 suites and an elegant 22 bedroom hotel. With panoramic views over the surrounding hills, this superb low-density development is designed to provide a handsome, self-contained and tranquil environment for the enjoyment of family holidays, golfing holidays, short relaxing breaks and meetings/incentives throughout the year.

**Vale d'Oliveiras Quinta Resort & Spa** is orchestrated to complement the natural beauty of the location. Arranged within beautifully landscaped gardens designed to preserve and enhance the indigenous flora, the majority of the development is single storey.

The accommodation is arranged in a star shape, with five wings surrounded with fountains and other architectural features reminiscent of a time long past. Covered walkways run through the gardens connecting each wing to the heart of the Resort where one will find the reception, a bar and a restaurant with terrace overlooking a mirror pond and the Resort's open-air swimming pool, with adjacent children's pool. A poolside bar serves drinks and light snacks.

The Resort also features a Health Club which boasts a state-of-the-art fitness room, heated indoor pool, Jacuzzi and sauna. The Estética SPA offers a steam room and a range of massage and beauty treatments.

Facilities also include a Kids park (activities program during school holidays for children from 4 to 12 years of age), as well as two tennis courts.

The Resort's "Quinta" (biological farm) will produce a range of ingredients, to be used in the Resort's "The Olive Tree" restaurant, offering Mediterranean/Portuguese cuisine. Various innovative and original activities will be organized around the "Quinta" theme for young and old, such as cooking classes and tile painting.

All spacious accommodation units have individual air-conditioning, flat screen satellite TV, direct dial telephone, private bathrooms with hairdryer & razor point, in-room safes, and Azarro amenities. Hotel rooms are equipped with mini-bar and coffee & tea making facilities. The Family suites have a fully fitted and equipped kitchen, DVD player with Dolby surround, fire place and a terrace overlooking the gardens and/or pool area.
